## ABOUT

Street art has become one of the largest and most significant global artistic movements of the 21st Century.

The Chichester Street Art Festival 2013 brings together a group of internationally renowned street artists to create murals and installations throughout the City of Chichester.

These artworks represent an open air outdoor gallery that add to Chichester's artistic heritage and connect it to the international street art arena.

## PROGRAMME

**Public Talk:**  
**The Chichester Street Art Festival**  
At Pallant House Gallery  
5:30PM, 2 May

**Live Painting**  
2-6 May

**Tour of murals**  
Starts outside Pallant House Gallery  
2PM, 6 May

## INFO

Street Art London is an organisation that works alongside street and graffiti artists across London and the world, with principal objectives to facilitate and support links between artists, institutions and the public by organising festivals, talks and exhibitions.
